While I am receiving VA Educational Benefits, I agree to:

- Access additional information concerning my VA benefits and any payment issues directly to the Muskogee VA Office by calling 1-888-442-4551 or via the internet at <http://www.gibill.va.gov>
- Remember that I am paid only for courses that are required for completion of my degree plan at UMHB. Exceptions: 1) Department letter of substitution, 2) valid prerequisite for required course, and 3) to “round out” only in my graduating semester.
- Not register in courses for which I have previously received a passing grade.
- If I have prior college, I should not register for any elective courses until an official evaluation has been completed.
- Furnish the Admissions Office with an official copy of transcripts from all colleges and universities previously attended. Students are given a two-semester “grace period” for having all transcripts evaluated. After the second semester, students will not be certified for payment of benefits. Note: UMHB cannot evaluate credits that were taken at another school without a transcript from that school. Courses posted on a school’s transcript from a different college will not be evaluated.
- Provide an official transcript to the Registrar’s Office when I take courses at another college or university.
- Notify the VA Certifying Official when I drop or add a class.
- Notify the VA Certifying Official if I change my degree, major or minor.
- Notify the VA Certifying Official if I withdraw from all my classes within a semester.
